

10 reasons why you NEED to be a Xoppon online business owner... NOW!

1

NEW and existing customers can find you easily online

2

Show your worth- personalise your site with testimonials from happy customers

3

No products- no problem! We supply ready made stores pre-packed with products for you to sell for a great profit

4

You now have a global audience- your shop window to the world!

5

Make a lasting impression so you're customers are likely to spread the word to family, friends and followers

6

Earn whilst you sleep- your store is open 24/7, globally. Far more available than a highstreet store!

7

Work where you want, when you want, building an income that can perpetuate and even act like an on going savings pot or pension plan

8

Unlimited access to your site. With Xoppon, all your website needs are at your fingertips

9

Learn from our 'How to Maximise Profits from your online Business' Programme to ensure your website reaches its full potential

10

Create a wholesale business supplying your products to retailers through the unique Xoppon repository

Need a **simple, affordable, fast, secure** and **streamlined** way to get your business online?

We provide you with the tools you need to quickly launch an online business with a ready made, fully customisable store, pre-loaded with products, OR simply build your own, quickly and effeciently so you can start making a profit asap!

Easily update content and add new features, new pages, new products and videos. Our solution provides an in-built shopping cart with payment gateway integration - turning your site into an online store that accepts card payment. All through an easy to use admin interface that is accessable 24/7 from anywhere in the world.

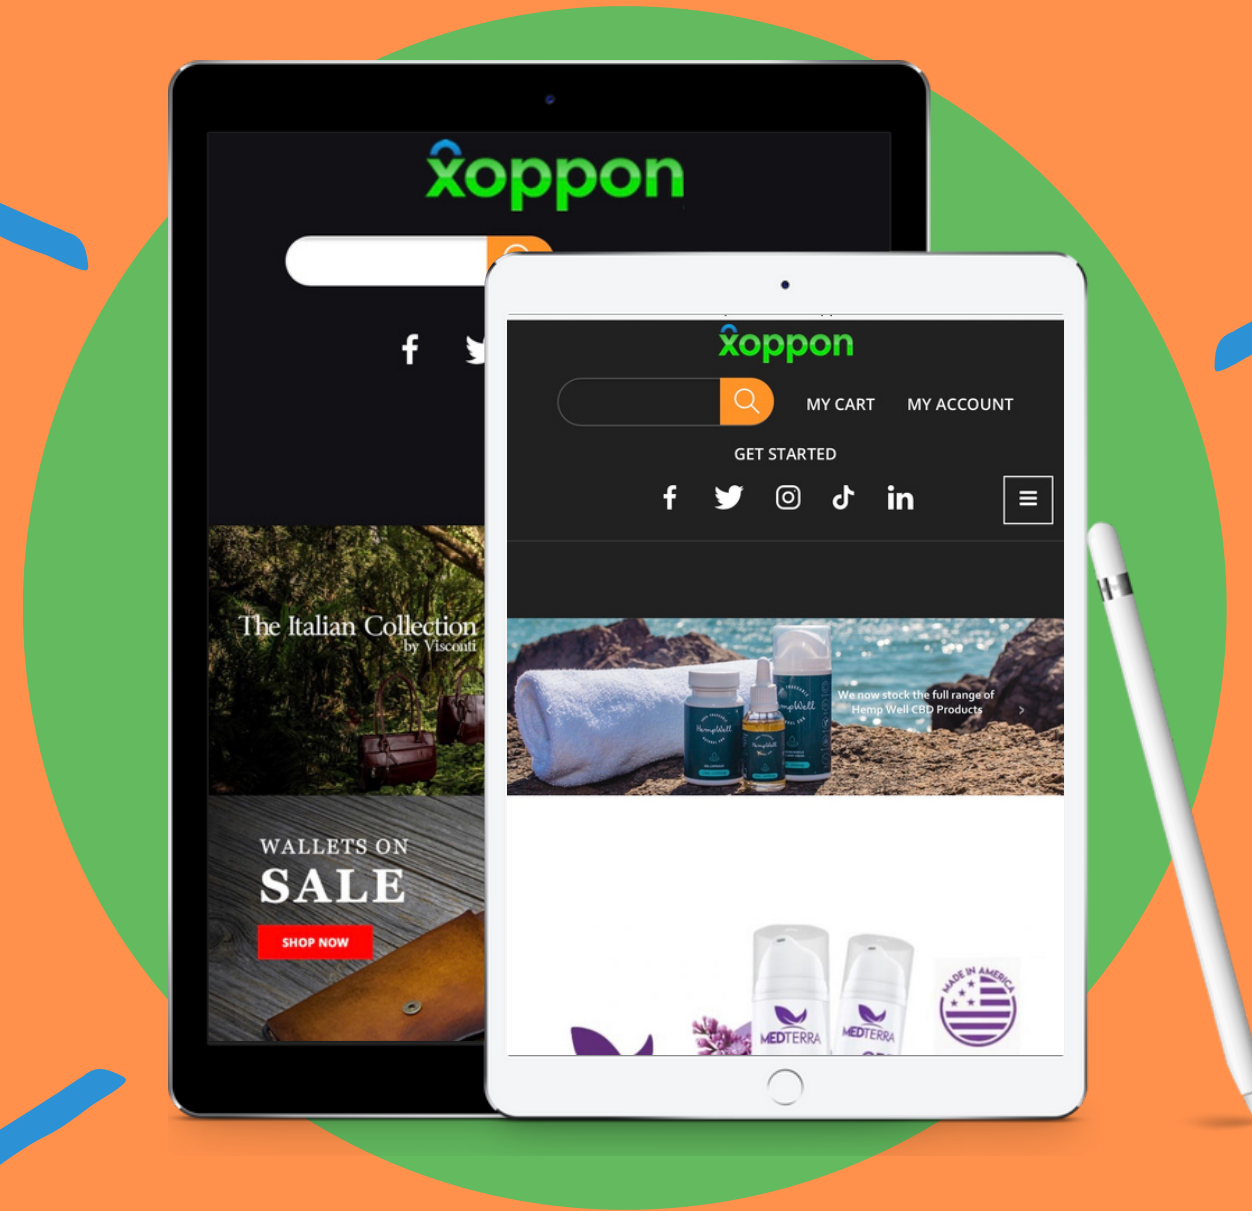

Avoid making mistakes and wasting your time by following our training and coaching, which you will have full access to. This ensures you optimise your online income and avoid any pitfalls, benefitting from our 'How to Maximise Profits from your Online Business' Programme which provides you with the support of years of hard earned eCommerce experience.

Xoppon is an all-in-one solution; a website builder, an integrated shopping cart and payment gateway integration, pre-supplied products, training and coaching

Xoppon caters for both individuals and businesses who believe a website is a commodity they can not afford; it is time consuming; it's too expensive; they don't have the technical ability etc

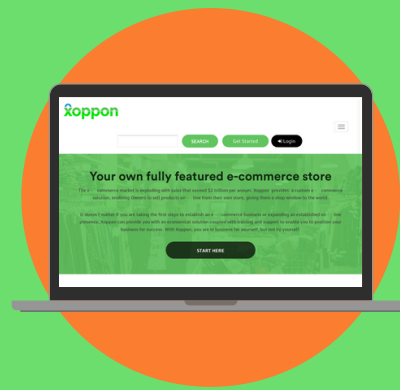

Unlike other providers, we do all the hard work for you and provide the training to help you become successful quickly!

A Xoppon website incorporates your brand's identity and promotes your product or service. It is developed within minutes of getting started, with fully customisable content and the ability to link directly to your social media platforms

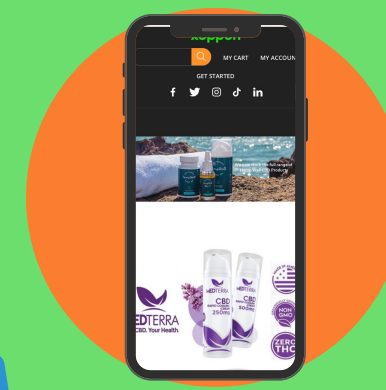

**Products to wholesale?
... great!**

Ask us how our unique repository system provides you with a new product centre
